MISSION

VALUES

By 2016, **PHILIPPINE CITIES** are engines of sustainable development, champions of good urban governance and catalyst for nation-building committed to the improvement of the quality of life of their constituents

The League of Cities of the Philippines will serve as the unified voice of cities advocating policies for continuing autonomy; promoting capacity-building and best practice sharing; and strengthening internal and external linkages to lift the nation out of poverty

Leadership	Unity and Autonomy	Transparency and Accountability	Civil Engagement & Service Excellence	Environment Friendly
