

Partnership for Democratic Local Governance in South-East Asia Mid Term Conference

Vietnam Group work

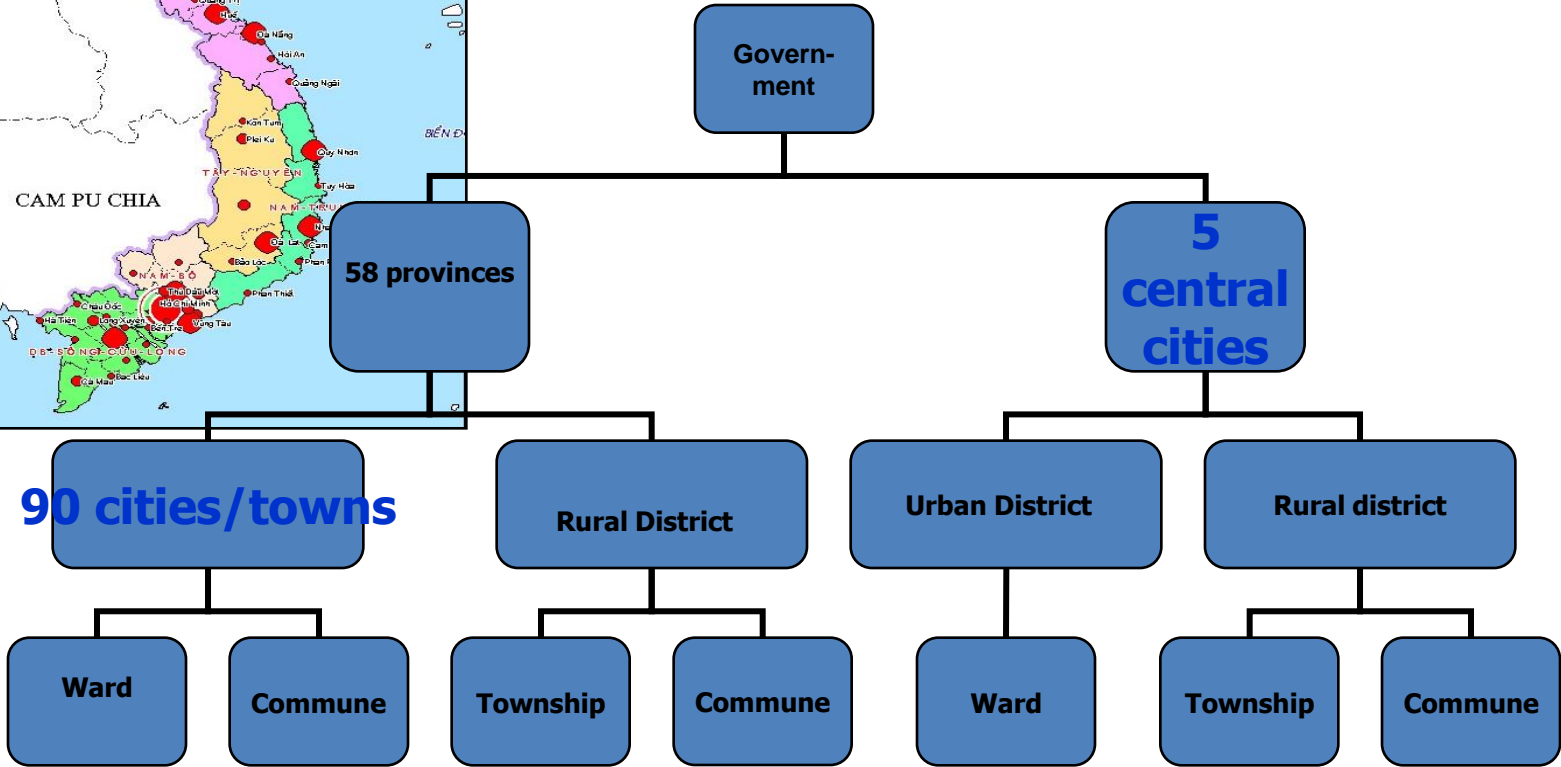

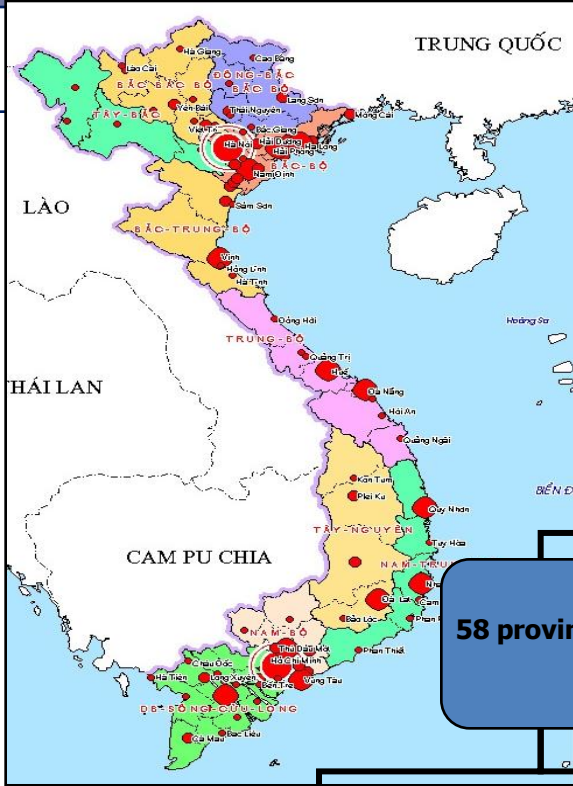

"The European Union is made up of 27 Member States who have decided to gradually link together their know-how, resources and destinies. Together, during a period of enlargement of 50 years, they have built a zone of stability, democracy and sustainable development whilst maintaining cultural diversity, tolerance and individual freedoms. The European Union is committed to sharing its achievements and its values with countries and peoples beyond its borders".

The European Commission is the EU's executive body.

This project is co-funded by the
European Union

ACVN Structure

LGAs Support for for sustainable replication of BP at the Pilot cities

Local level:
